NEWS RELEASE

CRAFT DAYS AND HERITAGE OPEN DAYS

Leatherhead Museum will be running its annual Craft Afternoons for children on three Fridays in August. The sessions are free of charge and there is no need to pre-book.

The events, for children accompanied by adults, will be held from 1pm to 4pm on Friday, 11 August; Friday, 18 August; and Friday, 25 August.

The Museum will also have special Sunday opening during the week of Heritage Open Days in September.

As well as during the usual hours of 1pm to 4pm on Thursday, 7 September and Friday, 8 September, the Museum will be welcoming visitors on both Saturday, 9 September and Sunday, 10 September from 10am to 4pm. This replaces the Saturday only weekend shown in the Heritage Open Days brochure.
