Potted Histories No 83

Where in Fetcham...?

For many years now I have compiled Potted Histories on Places, People and Companies, and I hope they have given readers of the Ashted & Leatherhead Local much pleasure.

Now it is time for readers to help me in identifying some houses in Fetcham.

The house on the left is a postcard; postmarked Fetcham and counter stamped Leatherhead and dated 7th October 1905.

It is addressed to a Mrs. Spackman, Kentish Town, London.

The writer confirms it is from Fetcham by stating so before saying 'my dear Lizzie' - *What do you think of this postcard? You will see it is Annie, Grace and I.* It is signed yours sincerely Lil.

The postcard on the right is unused but bears a message 'reported to be Fetcham, Surrey'.

If you can identify this one, I will be amazed.

I have researched all possibilities in the area and have drawn a complete blank.

It only cost me 50 pence - a bargain - if only it could be identified.

If you recognise either of these buildings please contact me via email on: goff@goffpowell.plus.com
