Potted Histories No 84

## Do you recognise the RAF Officer?

For many years now I have compiled Potted Histories on Places, People and Companies, and I hope they have given readers of the Ashted & Leatherhead Local much pleasure. Now it is time for readers to help me in my quest to find an answer to whom this young man is. Like many photographs of this period they have Post Card backs for the message and address - unfortunately this one bears no message or address.

The photograph was probably taken in the early 1940s in the studios of Albert Warren, The Crescent, Leatherhead. It would be nice to know if this young man survived the War.
